

REGULATION

ENGLISH

These General Terms and Conditions of Sale are agreed between the Seller and any individual wishing to make a purchase at the Temporary Store.

You must be at least eighteen years old to make a purchase. Minors must be accompanied.

Prices are indicated in euros, VAT included, and determined solely based on the weight of the package.

The data collected (email, name) is processed to manage access. It may be shared with subcontractors. Rights of access, rectification, deletion, and objection can be exercised by writing to info@mysterzon.com.

The products offered for sale are unclaimed packages, returns, or items from the logistics flows of major marketplaces. They are sold as-is, without prior opening, and by weight. The contents are unknown to the Seller.

No right of withdrawal is granted for purchases made in the Store.

The Seller is not responsible for the contents of the packages or for any direct or indirect damages resulting from their use or from any illegal nature of the contents.

By participating in the event and accepting these terms and conditions, the participant authorizes the taking and dissemination of photos and video recordings, which may be published on Mysterzon's official social media channels and those of the hosting shopping centers, without any compensation, for promotional and communication purposes.

By making a purchase from Mysterzon, you declare that you have read and unconditionally accepted these General Terms and Conditions of Sale.
